Haye vs Chisora fight countdown!

Nuts speaks to "The Hayemaker" and "Del Boy" ahead of their boxing grudge match of the century!

➔ **WHEN TWO** chaps are so very interested in knocking seven bells out of each other that they'll travel to the famous boxing nation of Luxembourg to secure a licence to do it, you know the fight is going to be a humdinger. And so it's coming to pass that on Saturday night David Haye and Dereck Chisora will be donning padded gloves and entering the ring of West Ham's Upton Park for a scrap that should be epic. Why? Because we can safely say they're not big fans of each other...

Hi Dereck! Psychology is very important in big fights like this.

Do you think you've got under David Haye's skin?
I don't care about getting under his skin. I just want to fight the guy.

What do you say to people who claim this fight is a disgrace and shouldn't be taking place?
People forget that boxing is showbusiness. This is one of the greatest shows ever to hit boxing. We're taking boxing from the back page to the front page. When was the last time a fight was front page like this?

What makes you so sure you're going to win?
I will win. I'm going to f**k him up. He's scared – he dances around, running away. I like to get hit. I can take it. I enjoy it.

How can you enjoy being punched?

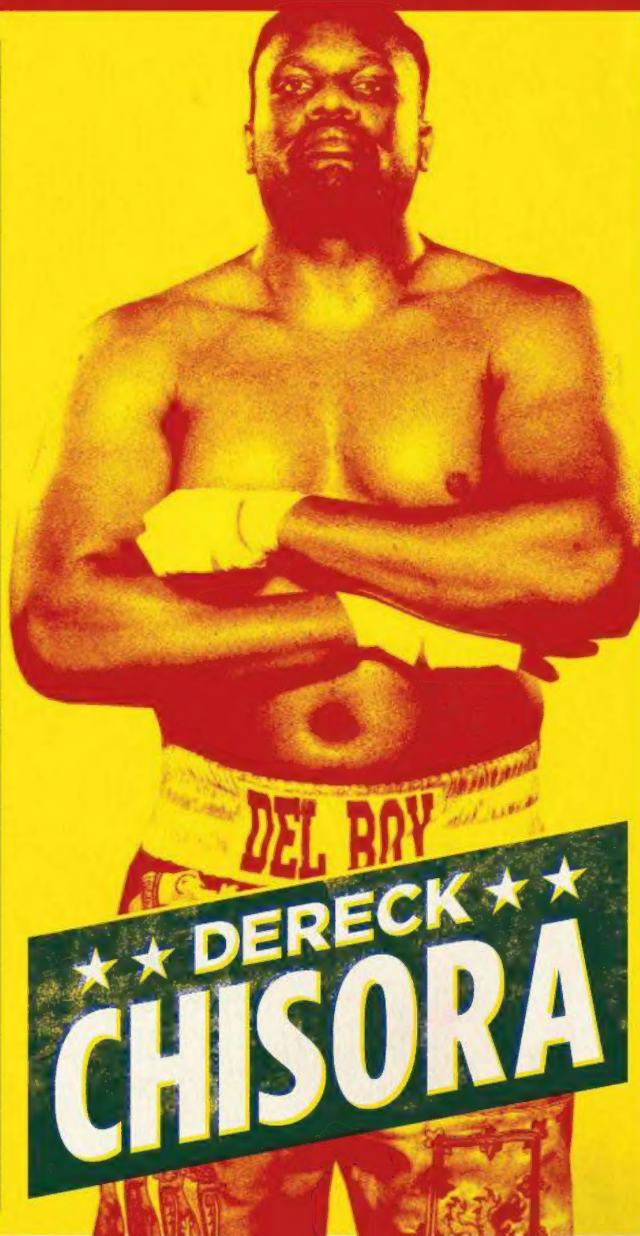

I love it! It's like taking Viagra to me. It gives me a hard d'ck! It unleashes something in me that I can't control and need to get out. It's boxing – you have to prepare yourself to get hit sometimes.

Do you get nervous before a fight?
No. I get nervous the week the fight's announced. After that I just get excited about it.

What's your dream fight?
David Haye. I'm very excited about it – it'll be no holds barred, like two animals in a cage.

What's next after David Haye?
I'm totally focused on this fight. I don't see or have ideas beyond this fight.

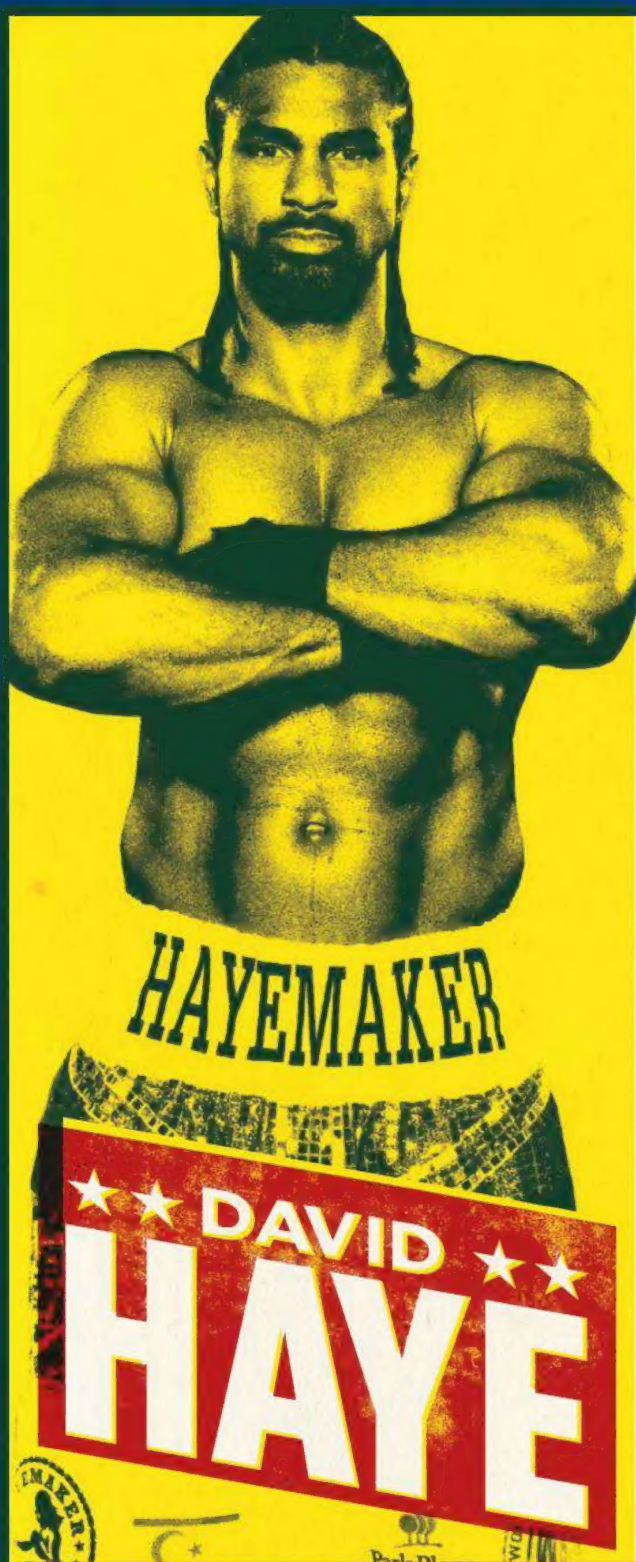

Do you think you can force Haye into full retirement?
You can never make a boxer retire. It's a hard sport to do, but it's an even harder one to leave. You can't just shut the door on it. You can't just say, "I'm done with it for good," without telling a lie.

BACK IN THE RING!

This is Haye's first fight since "retiring" after he was beaten by Wladimir Klitschko in July last year.

Hi David!
You're really
not a fan
of Dereck
Chisora?

I think the guy's an idiot. The fact that he gives it large, that he tries to step up to me, and that he slapped Vitali Klitschko in the face prior to his fight says it all. The fact he bit one guy in the ring, the fact he grabbed another guy and kicked him right in the mouth. I'm not impressed with the way he conducts himself.

Not to mention that he's been slagging off your hair.
Ha-ha! I haven't heard any of these comments, but it's all pretty childish.

There's been so much trash-talking between the two of you. How deep does the hatred run, David?

We've had a fight at a press conference and he threatened to break my jaw. Thanks to my cat-like reflexes I was able to get out of that situation unscathed, but if you look back, I was actually fighting him and his entourage just on my own.

What's your take on that infamous brawl?

He's nice and brave when he's got all his boys around him. When it's just me and him and the referee in the ring, that's where you'll see how he performs. He talks a huge amount of hype but he's lost his last three title fights. In a row! I've never lost three fights in a row.

Didn't he threaten to shoot you as well?

He did. He claimed that he was going to "physically shoot me", not just shoot me. I'm not sure how different that is from emotionally shooting someone or spiritually shooting someone but he was going to "physically" shoot me. Ha-ha!

Many people say that it's a disgrace the fight's going ahead after everything.

If you feel it's a disgrace then don't subscribe to BoxNation. But you'll be missing a great fight. All you've got to do is look at the ticket sales and look at the amount of hype that's been generated. We're not forcing it in your face.

Do you think he's going to surprise you?

I hope it's not going to be as straightforward as I'm anticipating. I hope he gives me a good little workout and I work up a sweat. Hopefully, he'll come up to me like an absolute lunatic trying to eat all my punches up and prove he's tough. That will be fun if he's like that.

So you'll be giving us value for money?

Yeah. Nobody wants a knock-over job. Someone like Chisora, he deserves a good, slow concussion deep down and that's what I dish out pretty well, so it should be fun.

● Haye vs Chisora is on BoxNation on Sat 14 July.

Real life loop-the-loop!

Hot Wheels toy becomes stunty reality!

THERE ARE so many brilliant things you need to know about this. First, this real-life Hot Wheels loop-the-loop was set up by brand owner Mattel.

They got rollercoaster engineers to design the 20-metre-high, 125-tonne track. The drivers – Tanner Foust and Greg Tracy – trained with fighter pilots to withstand the 7Gs of force. Finally, Foust's technique to avoid blacking out? "Grunt, tighten your core and try to make your eyeballs and veins pop out." Incredible!

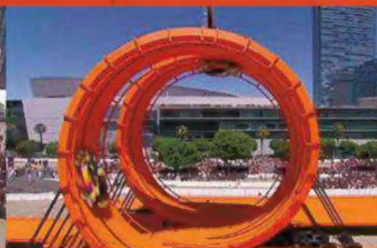

WORDS: RORY BUCKENIDGE

The Double Loop Dare in action!

How to pull off a 52mph, 7G, world record-breaking stunt!

1 The cars accelerate from a staggered start

2 Both need to hit the ramp at 52mph

3 Any slower and they could fall off

"Hello? Yes, it's
about this satnav
you sold me!"

4 Any faster and the drivers could black out

5 The cars had to hit black lines exactly

6 The first driver almost stuffed his landing

7 And that's a world record right there!

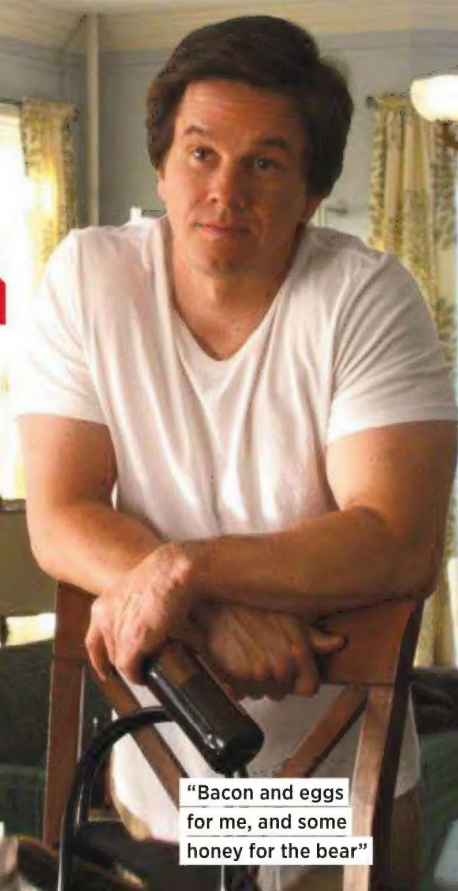

Ted's funniest gags!

New flick from genius *Family Guy* fella is choc-full of chuckles!

➔ ONLY SETH MacFarlane could make a film about a chap's special relationship with his childhood teddy bear one of the rudest and crudest comedies of 2012. The gags are insanely funny – here's a round-up of our favourites!

TED!

JOHN!

"Bacon and eggs for me, and some honey for the bear"

John: "Jesus, you look like sh*t. What happened?"

Guy: "I don't know, man. I got f**king wasted last night. Phone says I texted someone at 3.15 asking them to beat me up. At 4.30 I texted the same person saying thanks!"

John: "I'm taking Lori out to dinner. We've been dating for four years tomorrow. Let me ask you something – you don't think she's expecting something big do you?"

Ted: "What? Like anal?"

Lori: "What is that? There's a sh*t on my floor?"

Ted: "Oh yeah. We were playing truth or dare and Cherie's pretty ballsy."

Lori: "There is a sh*t on the floor!"

Ted: "Or... Or is there a floor on the sh*t?"

Ted tries to get a job...

Ted: "Don't worry, I'll try my very best to get this job." [cuts to grocery store]

Store owner: "Do you think you've got what it takes to work here?"

Ted: "I'll tell you've what I've

got. The taste of your wife's pussy on my face!"

Store owner: "No one's ever spoken to me like that before."

Ted: "That's because they've all got their mouths in your wife's box!"

Donny is a creepy guy who is obsessed with Ted...

Donny: "When I was a boy, I saw you talking. I thought you were the best thing I'd ever seen. I asked my dad if I could have a magical little teddy bear, too, and he said no."

Ted: "Can you just email me the rest of this story?"

Ted plays hide and seek with his young kidnapper...

Robert: "One, two, three..."

Ted: "No peeking now, else you'll get kid cancer!"

Robert: "Five, six, seven..."

On Ted moving out...

John's co-worker: "I actually went through something like this with my last boyfriend. We were together for eight months and I really loved him. Then he got deported back to Iran. So I know what you're going through."

John: "Oh yeah. So I guess we both lost our furry little guy."

Lori finds Ted with four hookers...

Lori: "Who are these girls?"

Ted: "Oh. Where are my manners?"

This is Angelee, Heather-lee, Cherie and Sauvignon Blanc. You know somewhere out there, there are four terrible fathers I wish I could thank for this moment"

"Bungle! Yogi! Baloo! You guys made it!"

A large, brown teddy bear is sitting in a bathtub, holding a white telephone receiver to its ear. The background is a green tiled wall.

"Miss Piggy, I'll have to call you back. I'm in the tub..."

Ted: "Don't hang up I'm in trouble."

John: "What kind of trouble?"

Ted: "They got me. That freaky guy and the kid who I think is his son, but may also be his lover... I don't know..."

Ted: "All I'm saying is that Boston women on the whole are a paler, uglier sluts than women from the elsewhere's of life."

John: "They're not that bad!"

Ted: "See, the fact you have to say, 'They're not that bad', means they *are* that bad. Have you ever heard a Boston girl have an orgasm? "Ahh ya, ahh ya, harder, harder, f**k my f**king face!"

John: "Hello, 911? This is an emergency! Someone has kidnapped my teddy bear! [silence] Hello?"

Five reasons to check out *Ted*!

1 Most of the *Family Guy* cast are involved in some way - from Patrick Warburton (Joe Swanson) playing Wahlberg's best buddy, Guy, to Patrick Stewart taking on narrator duties.

2 It has some great cameos. Sam Jones (the bloke better known as Flash Gordon) crops up, and sexy songstress Norah Jones plays a filthy version of herself!

3 Mila Kunis is in it, just to remind us that the lady who plays *Family Guy*'s Meg Griffin is amazingly hot in real life!

4 It has one of the greatest fight scenes we've seen in recent film history involving Mark Wahlberg and a teddy bear in a hotel room.

5 No one ever once questions the sheer silliness of a film about a talking, pot-smoking, swearing bear - and that's what makes it so awesome!

See *Ted* for free!

See 2012's funniest film for nowt on 18 July at one of 25 cinemas nationwide! Go to www.showfilmfirst.com*, enter the code 203893 and download your ticket. Hurry, though, it's first come first serve!

On getting high...

Ted: "I told my weed guy to step it up and he gave me that."

John: "What is it?"

Ted: "It's called 'Mindrape'"

John and Ted are lying in bed together. John is on the left, looking up, and Ted is in the middle, looking forward. A woman is lying on the right, partially visible.

"Bears usually sleep in caves. Just saying..."

"Oi, you in front.
The light's green,
get a move on"

"Talk to the
hand, loser!"

McLaren MP4 goes topless!

The 204mph MP4-12C becomes the perfect *Nuts* model!

- First let's recap on the hard-topped Mc 12C: it's just been patted on the back and given 24 more horses, which means the power is up to 616bhp from 592bhp. So this MP4-12C Spider automatically gets this upgrade.
- There are a few more revisions on the 12C as well, including new, lighter alloy wheels – identified by a slick diamond-cut finish – and a speed bump-avoiding suspension-lift function. And just like the hard-top, the Spider gets McLaren's hydraulic suspension and twin-clutch seven-speed gearbox.
- But let's get to the real point of the 12C Spider – its brilliant retractable roof, or RHT (retractable hard top) as they like to call it. Like Ferrari's 458 Spider, it has a collapsible hard-top which takes "under 17 seconds" to expose passengers to beautiful UV rays – or rain, most likely – at dizzying speeds of up to 19mph.
- Handily, the rear window can be lowered when the roof is up so as to hear that mid-mounted twin-turbo 3.8-litre V8, whatever the weatherman tells you. And most importantly, you can see what you hear, as the 12C Spider sports a transparent engine/tonneau window to allow people to point and get excited at your inlet manifold.
- Because convertibles have to feature extra strengthening and safety, they always weigh more than their hard-topped cousins. And the carbon-fibre chassised 12C comes in at 40kg more than its coupé relation, making it 1,474kg. But it's hardly the fat kid at sports day – it's a 204mph, 616bhp car that does 0-62 in 3.1 seconds.
- You need £198,936 to drive out of a showroom in Ferrari's similar 458 Spider, but McLaren has – like with the hard top – undercut it with a £195,500 price tag. And if you do drive out of the showroom, it won't be until nearly Christmas. Great timing for enjoying a convertible, eh?

THE BOOK

The first Reacher movie is based on Lee Child's 2005 book *One Shot*, which gets its name from the sniper's motto: "One shot, one kill."

Jack Reacher first look!

Diminutive Hollywood star Tom Cruise steps into enormous shoes for action thriller!

IN THE ridiculously successful novels by Lee Child, ex-military

policeman Jack Reacher is a 6ft 5, 18-stone blond with a 50in chest and hands like hams. Tom Cruise, obviously, isn't any of the above. But the titchy Hollywood chap is having a damn good stab at playing the man mountain

in *Jack Reacher*, which hits cinemas on Boxing Day.

Fans responded to the idea of Cruise playing an angry giant in a similar way to Cardiff fans reacting to their new red shirts, but wee Tom's a terrific action star, so we're nailing our colours to the mast right here: *Jack Reacher* will be brilliant!

WAGERS: TOMMY RICKERIDGE PHOTOS: REX FEATURES

HALF-PINT HERO!

At just 5ft 7, Scientology nut Cruise is nearly a foot shorter than Reacher as depicted in the books.

"Crikey, this new
pressure washer's
a bit powerful!"

FIGHTING!

Reacher's "put them down first and fast" style usually means a headbutt/knee smash/kick to the stones combo. Simple. Effective.

"Leave it, Wayne!
'E ain't worf it!"

GIRLS!

Reacher's always hooking up with beautiful women in the books. But they're strong, capable and feisty, so no misogyny here.

THE NEW JACK REACHER THRILLER

LEE CHILD ONE SHOT

Who the hell is Jack Reacher?

A blagger's guide to the literary sensation

- Created by Brit author Lee Childs (actually an Aston Villa supporting chap called Jim Grant), Jack Reacher is a retired US Military Police Major who drifts across the USA sorting out crooks and kicking ass left, right and centre.
- **The 18 Reacher novels have sold over 40 million units to date.**
- Each is set in a different American location, ranging from New York to LA, with a different case for him to crack.
- **He has no family, no home and no regular source of income, so he hitchhikes and travels by bus.**
- His only possessions are a disposable toothbrush and his clothes, which he bins every few days when they get too dirty and buys new ones.
- **Reacher is a bit of a loner in the books. He lived most of his life overseas, so spends his retirement travelling across a country he knows very little about.**

Russian chap meets Earth. Not how he planned

THERE'S AN awful, bum-clenchy inevitability about this, as a Russian thrill-seeker launches himself from a 120 metre-tall electricity pylon. And his parachute fails to open properly.

After a full six seconds of frantic falling, he lands – with the comedy “puff” of a Saturday morning kids’ cartoon – on the quiet snow below.

Miraculously, the white stuff cushioned his fall and although he broke his pelvis, both legs and a vertebra, he should make a full recovery. And take up cross-stitch. Or watching grass grow.

'There was a trail of blood on the road!'

Car calamity leaves unlucky *Nuts* reader with hand of horror!

➔ **THIS HORRIBLE** hand is the result of *Nuts* reader Gaz Hennis high-fiving the tarmac – the problem being he was driving at the time!

Our man was 18 years old and serving in the RAF while out for a drive near his family home in Derby, with his hand resting outside the window, when a car pulled out of a side road.

Gaz says, "My car went up onto his bonnet, flipped

over and skidded along the road on its roof. My hand was between the roof and tarmac."

Unaware of his injuries, selfless Gaz managed to get out of his car and run across to the other car to see if the driver was alright. "He said, 'I'm OK, but you're not.' I said, 'What's wrong with me?' That's when I saw my hand. There was a trail of blood on the road from where it'd been dragged."

That night, Gaz underwent eight gruelling hours of

reconstructive surgery on his hand injuries, then endured another hand operation the next day. A pin was put into the middle finger, and skin grafts were taken from the back of his hand and the inside of his thigh.

Happily, Gaz is now on the road to recovery. "I still don't have full movement in the hand, but it doesn't stop me doing anything. I was very lucky – though it was a waste of a brand-new car!"

"Finally – a sympathetic ear!"

SEX ADVICE FROM A FIT LESBIAN!

Because she knows what she's doing and we don't!

**DANNI ORSI,

LESBIAN!**

You might recognise Danni from hit TV show *Candy Bar Girls* on Channel 5

What do I say after sex?

I never know what to say to a girl after sex. I always end up saying something like "Thanks", which never goes down well. Advice please!

DAVID Essex

Never say thank you! You'll make her feel cheap, as if she was doing you a favour. Maybe you're just having sex with the wrong girls – if you feel something for her, you'll know what to say. But if you're just plain useless with women, you can always revert to a cuddle. A cuddle after orgasming is always a winner!

She uses me!

I've been seeing a lady for a while now but I'm starting to think I'm just her "booty call". She refuses to say I'm her

LETTER OF THE WEEK!

Teach me how to kiss!

What's the secret to a being a good kisser? It's a bit of a lame question but I've heard some girls say that as soon as they kiss someone, they know if they'll go any further.

WOODY Walsal.

First rule: no sticking your tongue violently in her mouth! We call it the "washing machine snog". Think about how you enjoy being kissed and give back that same amount of intimacy. The more she's enjoying it, the more she'll respond. Biting the bottom lip works for me, but the main trick is timing – she may not feel happy kissing in public. And be sure to hold her firmly – no one likes flimsy!

boyfriend and never has full sex with me – all I ever do is go down on her. What should I do?

ROB St Albans

What a baffling question! Just stop seeing her! Most men would find this arousing. She isn't pressuring you to commit,

so make the most of it. If you don't enjoy giving her oral and she doesn't want vaginal sex, why not try to convert her to a little rear-end fun? What you really need is communication. How else will you ever find out what she really wants?

She won't act appropriately!

My dad's new woman is a bit of a looker and plays up to it when my mates are around, walking round the house in a very short dressing gown. It's embarrassing! How do I tell her?

COLIN Skipton

Tell your dad and he can bring it up with her. Either she'll be embarrassed or she'll make a drama of it. If the latter, she's just looking for attention – it's then up to your dad what to do. How hot is she? Maybe your problem is that she gives you an erection and you want to penetrate her? Just a thought.

Loose moose

TWO BLOKES charter a plane to take them into the Rocky Mountains for a week hunting moose.

By the end of the week they've bagged six, but as they're loading the plane to return home, the pilot explains that the plane can only carry four.

"Hang on, last year we shot six – the pilot let us take them all and he had the same plane as yours," the two blokes explain.

Reluctantly, the pilot gives in and all six are loaded and the plane takes off. However, while attempting to cross some mountains the little plane crashes and only the hunters survive.

After climbing out of the wreckage, one turns to the other and says, "Any idea where we are?"

His mate replies, "Actually, I think we're pretty close to where we crashed last year."

SUPER SAND SCULPTURES!

SUMMER SPECIAL!

PRECIOUS SCULPTURE!

This grainy Gollum was done as part of a Belgian sand-sculpture festival. Precious indeed!

GRAIN IN THE BUM!

Is it wrong of us to somehow wish it were possible for these three sand models to turn over?

DEATH'S A BEACH!

They say, "Life's a beach, then you die." Or in this case, "You die, then you become part of a beach!"

SAND CAR-STLE!

Some seriously slick sand-sculpting skills here. At least dad can't moan about getting sand in the car.

Escultura de arena

Dad, Mom, Or Sister

MAD SAND SCULPTURES

DARTH VADER!

This is from a Portuguese sand-sculpture festival. "The coarse is strong with this one!" Sorry.

SANDY HAND!

A classic case of "Tell it to the sand, 'cos the face ain't listening!" from this awesome American effort.

BEACH DRAGON!

Trust those pesky Chinese to come along and out-do our humble bucket-and-spade sand castle effort.

SAND MANSION!

This Dutch masterpiece would certainly give the Queen's Sand-ringham estate a run for its money.

SANDY SIMPSON!

We're pretty sure Matt Groening didn't have much to do with this, but it's a good effort all the same!

SANDMAN SPIDER-MAN!

It's over to Portugal again. The only time you'll ever see Spider-Man scared of water!

LACEY

LUCY

SUMMER
SPECIAL!

Lucy Pinder's Topless Hols!

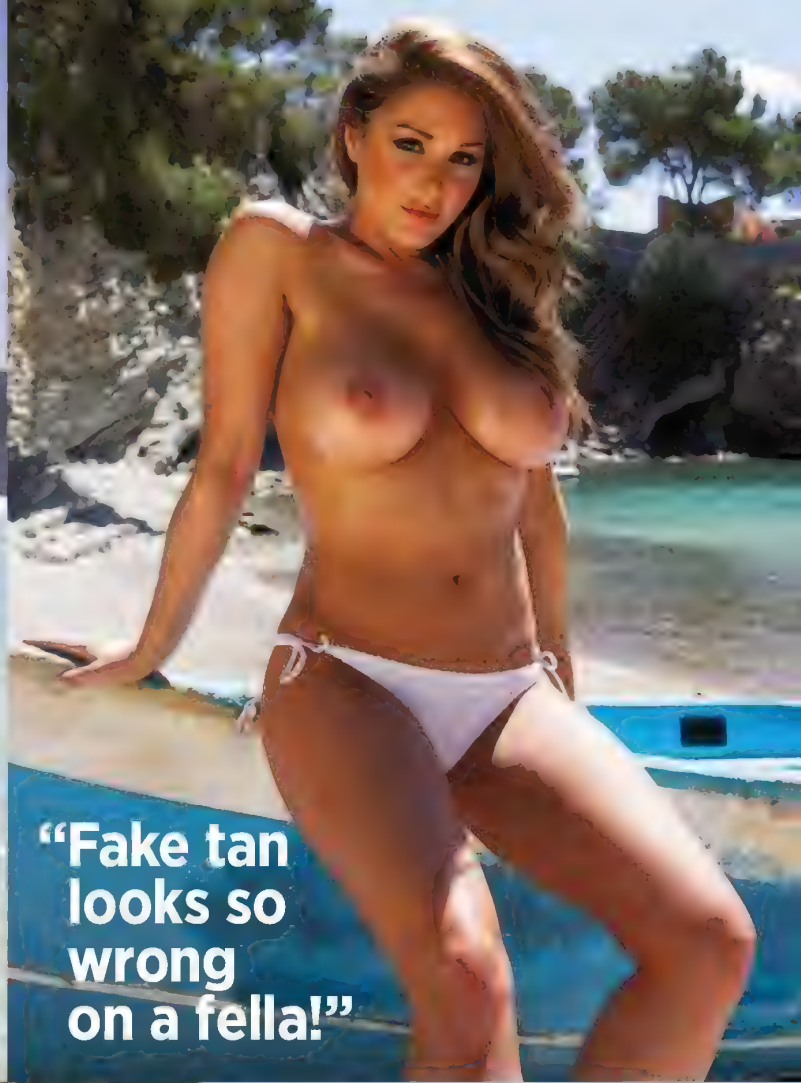

Come rain or shine, these girls are looking fine!

SABINE

EMILY

Lucy Pinder

H

i Lucy! Summer's here! What have you made of it? Well it's been pretty dire here but I've already

been away to sunnier climes three times, so I can't really complain. I went to Ibiza with ten of my girlfriends, which took some planning.

Did you destroy the men of Ibiza?

Ha! We were well behaved, actually. I think we tend to keep an eye on the ladies more, really. I literally couldn't take my eyes off the Spanish girls!

What's your favourite thing about summer?

Everyone's just happier, aren't they? Britain really comes to life in the summer. But also, everyone wears less clothing. That's a bonus!

Is that why everybody's friskier?

Perhaps. It's something about the sun and breeze on bits of your bod that've been hidden away for the winter. I'm equally frisky whatever the season!

What's a good look on a bloke?

An effortless white T-shirt and jeans or casual shorts. I do like a bit of a natural tan, stubble and a nice pair of aviators.

Noted! What's not a good look?

Not Speedos! Please, boys, put those budgie-smugglers away. And as for fake tan – don't do it. It looks so wrong on a fella.

How about sex on the beach?

Right now? That's a bit cheeky. Ha! In reality, it's one of those things that sounds great but can be a bit uncomfortable. If you must do it, make sure the tide is coming in, don't roll about in the sand too much, and do make sure you're discreet. Don't get arrested!

What about sex in the sea?

You know, I don't like getting in the sea full stop. I don't trust it! So that's a no-no for me. ►

Lacey Banghard

H

ello Lacey! Are you feeling very summery today? Hiya! I am today, but back in the UK it's been

really rainy. The highlight was shooting in Majorca. Amazing!

What frolics did you get up to?

We had a barbecue. Me and Sabine made a cocktail out of half a watermelon. We had a great time just getting drunk!

We'll name a cocktail after you.

What goes into a Banghard?

Nice! Well, you have to cut the watermelon in half. I think vodka, then you've got the watermelon juice and... well, to be honest, when me and Sabine made it, it was just whatever we could get our hands on!

What's your favourite thing about summer?

The drinking, the partying, everyone getting together. Just generally everyone's usually really happy when it's sunny so you get a really good vibe. The football was fun, too.

Do you reckon everyone gets a bit friskier as well?

Yeah, definitely! A lot of my friends and people I know are due babies at the beginning of the year – it's because they're getting frisky in summer!

What's a good look on a bloke?

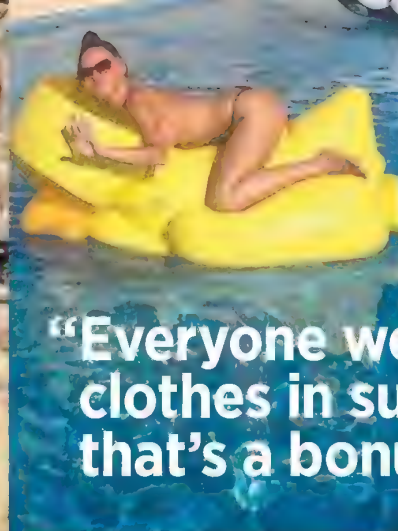

Well, I like shorts. Sometimes blokes have really good legs and they just don't show them. If you've got them, flaunt them.

Do you reckon ladies check out men as much as men check out women during the summer?

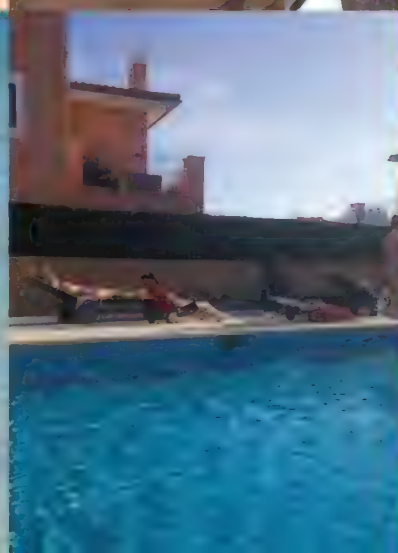

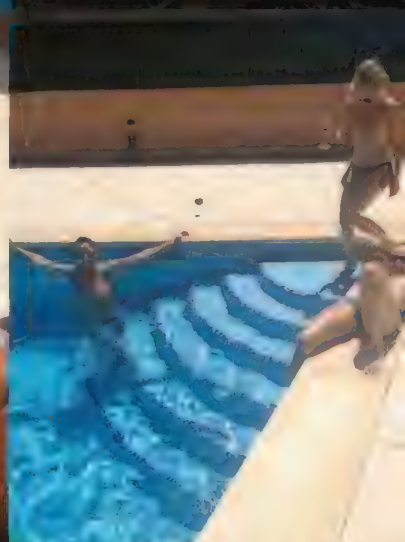

Yeah, definitely! Even more so, because men always have their tops off, don't they? British men always go the extra mile. Like the *Geordie Shore* guys. Actually, that reminds me. Don't be tempted to fake tan, because it's not a good look! ►

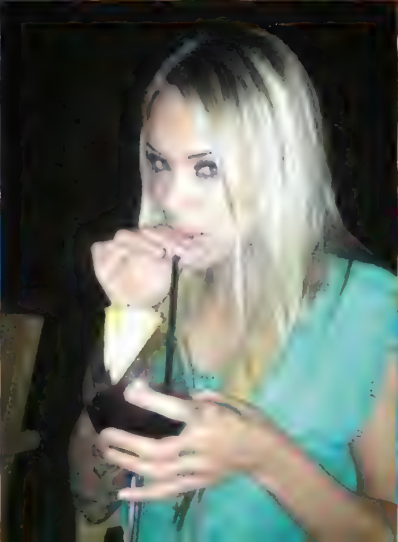

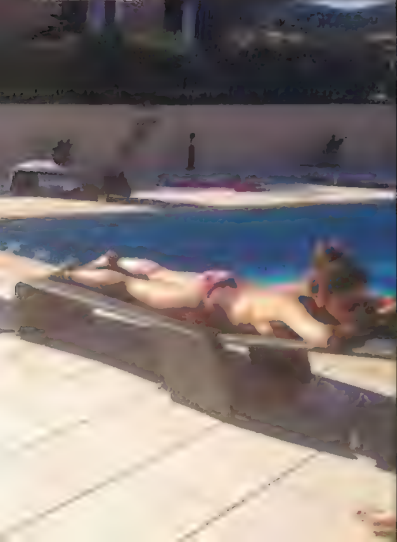

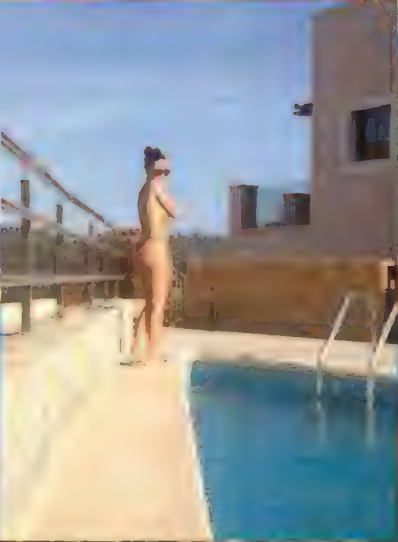

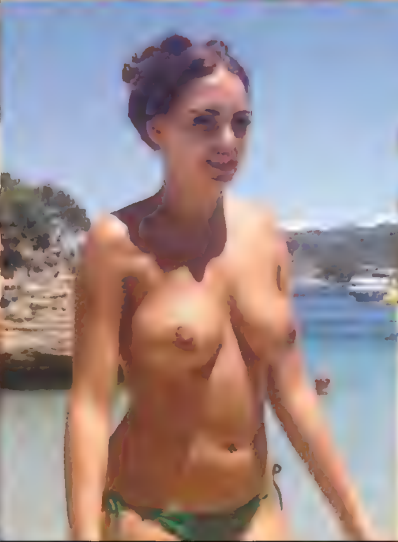

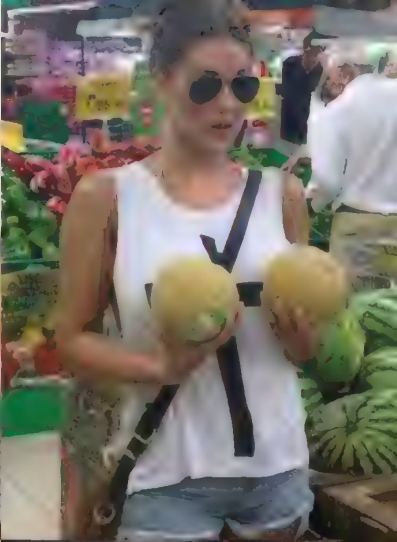

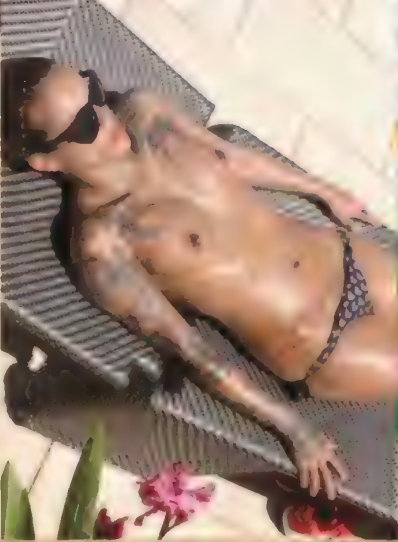

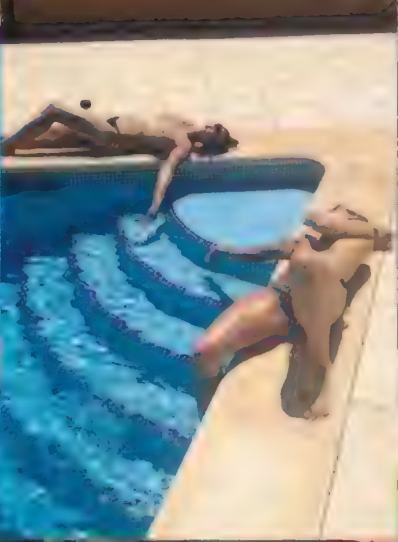

“Everyone’s really happy when it’s sunny!”

"Everyone wears less clothes in summer – that's a bonus!" Lucy

Sabine

Hello Sabine! How are you enjoying summer so far? Hello! It's been one of the best summers so far, and being away with the Nuts girls has made it even better.

What's sexiest about summer?

The hot weather – when we get it – is good. And people being half-naked is always a winner. I do enjoy a good, cold cocktail, too.

That reminds us – is sex on the beach ever a good idea?

Yes, it's an amazing idea! I've never had the opportunity to try it though, unfortunately. I think it could be very exciting.

Where else is good to get frisky alfresco in summer?

Sex in the sea – or in a pool – is always a winner. You feel light as a feather. The slow-motion action's good fun. I'm definitely friskier in the summer!

What's a good look on a bloke?

Keep it very simple. I'd say go for flip-flops with some nice shorts, no top on and some classy shades. But make sure your feet are clean. Dirty flip-flops are such a turn-off.

If you threw a pool party what would it be like?

It'd be massive! There'd be lots of cocktails, loads of music and loads of fun props to use in the water. I'd invite my friends, the Nuts girls, and I'd cook some Caribbean food for you.

Do you check out other ladies when you're on the beach?

I do. I admire amazing toned bodies. I imagine they're doing the same to me because I always sunbathe topless. I don't want any tan lines.

Where's your ideal destination?

I'd love to go to the Caribbean. If you're after a party holiday, you should head for Majorca. That's one crazy place! ▶

TOPLESS SUMMER

**“In summer the
girls are a bit
friskier, too!”**

Emily O'Hara

H

ey Emily! How's your summer been so far?

Hello! It's been amazing but not in Britain. I'm

afraid to say. Where's the sun, been? When the sun's out in the UK, I love it. Everyone just wants to forget work.

What will summer hold for you?

It's already in full swing. I went to Marbella – that was fun! I'm going to Vegas in August, and then I'm off to LA with the Nuts girls. I can't wait for that.

Blimey! Is there anything good about a British summer?

Sure! Just the mood it puts everyone in makes the country really buzzing! Everyone's more up for a laugh and a good time! Have you noticed how the girls are a bit friskier, too? It's 'cos everyone is more naked.

Surely that must mean you're frisky all year round?

Good point. Although I love summer, I'd probably say that I'm just as frisky in winter as I am in summer. Actually, thinking about it, who isn't?

Can we have some summer fashion advice, please?

Keep it nice and simple! When men walk around with no tops on and they're just in town buying a pasty from Greggs, it's totally unacceptable.

We're on the beach and there's a pretty girl – what do we do?

If you have sunglasses, you can grab a sneaky peek without them noticing. You know girls look at blokes, too, right?

I don't like over-muscly guys and it gets a bit boring when all guys talk about is the gym.

Outdoor sex – good or bad?

Beach sex is a good idea at the time but a pain in the bum later, with sand in all the wrong places! **X**

Brand X With Russell Brand

SKY ATLANTIC/HD • 11.05pm

Rusty Brand isn't to everyone's taste (clearly not Katy Perry, for one) but the bonkers bloke does have a wicked way with words and here he presents the week's news in his own brilliant style. We're not sure quite how much the Yanks get him though.

Perhaps it's the whole "power lady" thing, but we're rather attracted to *Veep*'s resident political pretty face, played by Anna Chlumsky.

Falling Skies

FX/HD • 9pm

There's a lot going on in this episode. Jimmy and Ben go out skitter hunting, but things don't end well when Ben's spikes are activated. Meanwhile, Tom's on a mission to convince Pope he's onside, so offers to serve with him. And then a ray of hope appears in a woman called Avery Churchill, who says she's building an army.

Line Of Duty

BBC TWO/HD • 9pm

Arnott's now off the case, so Fleming thinks it's up to her to save the day and prove Gates is a dirty, corrupt cop. She's convinced Gates had something to do with Jackie's disappearance and whatever else Jackie has been up to, so she cosies up to Gates, hoping he'll reveal all. But Gates' number two Morton smells a rat.

Geordie Shore: Chaos In Cancun

MTV • 10pm

Love it or loathe it, there's something about *Geordie Shore* that keeps us watching. Erm, so that would be mainly all the hot girls then. But incredibly, it's also MTV's highest-ever rated TV show, so we know loads of you love it too. Addictive.

2 Fast 2 Furious

ITV2/HD • 9pm

As the title suggests, it's the second of the top gas-guzzling film franchise. Disgraced cop Brian O'Conner (Paul Walker) is out to nab a drug trafficker in Miami in his new role as an undercover street racer. It's not the best of the bunch, but if it's breakneck action you're after – and why wouldn't you be? – look no further.

The Killing

CHANNEL 4/HD • 11.10pm

If you've stayed with the murder investigation until this point, you've come too far to go throwing in the towel now. It's the penultimate episode in the series, and the net closes in on the culprit as Sarah and Holder narrow the list of suspects to two. Elsewhere, the Richmond campaign nervously awaits the results of the election.

Harsh Times

FILM4/HD • 11.20pm

If you're hoping for a happy ending to this crime thriller, then you may well leave disappointed, but it's a superbly acted study of one man unravelling in the slums of Los Angeles and Mexico. Christian Bale plays the traumatised Iraq war veteran who embarks on a spree of drunken misbehaviour when he fails to make the LAPD.

Ladies, got a saucy secret you can't keep to yourself? Send your sexy story to our Lou!

'We had sex by the river'

MY BOYFRIEND and I went bridge jumping last week with a few of his friends. It was really exhilarating and as it was warm, we loved drying off in our swimwear on the bank. His mates went off to the local shop, and as soon as they left, I jumped on him and started kissing him passionately. I took a quick glance around to see if anyone was about, then pulled my bikini bottoms to one side and he slipped inside me. The adrenaline was amazing, having sex in broad daylight and knowing that anyone could have caught us at any time!

Sarah Leicestershire

'We went back to his'

I'VE STARTED a new job and recently we all went out for a meal and a bit of team bonding. After dinner we all went out clubbing. As I was dancing away,

I felt these hands around my hips and when I turned around it was a sexy guy from our post room who I'd had my eye on. We did some dirty dancing for a bit then he suggested we go outside for "some air". We talked for a bit then started kissing. We moved out of sight of everybody else and he soon

had his hand down my kickers. I don't usually do this sort of thing but I found it a huge turn-on. We quickly nipped into the club again, got our coats and went back to his for a night of passion. What a great way start to a new job!

Ellie South London

'He bent me over the table'

MY PARTNER and I had been having a few problems with working so hard that we hadn't been able to make much time for each other. After a phone argument at work, I decided it was time to do something about it. He came home to find me in the kitchen, wearing sexy black heels and a red, lacy, see-through outfit from Ann Summers. He grinned and started running his hands all over my body. I'd just made dinner and to keep him wanting more, I made him eat first. He kept rubbing his hands on my thighs and ate his dinner amazingly quickly. Pushing the plates to the side, he pulled me up and bent me over the table. We tried every position all over the kitchen before we exploded – and just in time. My sister called out at the front door – I'd forgotten I'd invited her over. I can definitely say make-up sex is the best sex – in fact, I may start picking arguments just for an excuse to do it again!

Kate via email

'I loved my riding!'

AFTER A day of teaching at the riding stables, I had some time before my next lesson so my boss asked me to do some paperwork. While I had my head down, I heard the office door go, then heard in my ear, "Fancy a quickie?" It was my boss' son! We'd been flirting for ages, but he was in a relationship so it was always off the cards. I wasn't going to miss the opportunity, and within seconds, he'd ripped off my skintight jodhpurs and was inside me. It was rough, exciting, everything I wanted. I heard my boss calling, so we quickly got dressed and I ran out of the office moments before she walked in. I then had to concentrate on my next lesson while thinking of the naughty things I'd been doing only minutes before.

10 RUDE QUESTIONS!

And a real girl to answer them!

Amber

22 Bradford

1 Where's the strangest place you've had sex?

"In a forest against a tree! The term tree-hugger now has a whole new meaning for me. We almost got caught but it just added to the excitement."

2 What's your trademark move in the bedroom?

"I can grind my hips like Shakira. It's an awesome skill. I've tried to teach it to my friends, but none have achieved success yet."

3 What turns you on?

"I'm really into role-play. Naughty maid or stern cop are my faves. But it depends on my mood. Sometimes I like to be in charge and sometimes I like the man to take control."

4 What's your favourite position?

"Plain old missionary. If the passion and fun are already in the moment, then the bedroom gymnastics are unnecessary."

5 Is it better to give or receive?

"It's always better to give. Seeing the pleasure on the face of a lover is a blissful feeling in itself."

6 What one thing would you really like to try but haven't yet?

"Tight, hot latex!"

7 Have you ever got it on with another girl?

"Yes! It was as a birthday gift for a very delighted boyfriend. I won't go into too much detail, but things got so raunchy that the whole story is completely off limits for me and my friend now. But sometimes she gives me that look, like we have the best secret ever!"

8 What's your favourite role-playing costume?

"I have a naughty schoolgirl costume with over-the-knee socks that I love. It's the sexy socks that make the outfit. It really turns me on."

9 Have you ever made a sex tape?

"Hundreds! They're on my phone. Hence the code lock and additional video folder code lock. Ha-ha!"

10 What's the rudest thing you've done?

"While doing a web chat online, I got bored and turned on Chatroulette. I was wearing next to nothing and I made some teenage boys very happy indeed!"

"I got it on with my friend as a gift for a boyfriend!"

Khan: 'My fists do the talking!'

Amir Khan talks to *Nuts* about Danny Garcia, his £3,000 fish and how he beat JLS at push-ups!

Hi Amir! You're challenging Danny Garcia for the WBC light-welterweight title this weekend. What can you tell us about him?

He sprang onto the scene when he beat Erik Morales so this will be a big test. After the Lamont Peterson rematch fell through, we were desperate to get a fight because I was at my peak.

Do you think you'll get the chance to avenge the loss to Peterson? Do you want to?

After our fight, I was eager to jump straight back in the ring with him. There were a lot of things that didn't sit right for me in Washington. I'll take on anyone if it makes sense but I'm not sure if I'll ever share the ring with Peterson again after what's gone on.

Has the loss to Peterson made you re-think fighting in opponents' hometowns? I think to an extent it has. When you're in someone's

backyard it's always harder to get decisions in your favour and you need to get the guy out of there to avoid leaving it in anyone else's hands. It's difficult to win on points on someone else's territory.

Will this be a harder fight than the Peterson one?

It's against a guy with a good knockout record and who's undefeated. He's more rangy than Peterson and has quicker hands. It'll be a different kind of fight but I'm sure that I'll have too much for him.

Garcia's father called you "over-rated". How do you respond to that?

I'm going to let my fists do the talking in the ring. I'm not going to let it affect me. We'll just see if he's talking as much after I beat his son.

Who'd win in a bout between your dad and Garcia's dad?

Ha-ha! I'm not going to back against my dad, am I? He can certainly take care of himself – it's in the blood!

How frustrating have the last six months been for you?

Very frustrating, but it's also helped me mature a bit and see that you're going to get some knocks along the way and you have to deal with them. I'm sure it'll only make me stronger as I progress.

Do you think you'll get the fight with Floyd Mayweather?

I always want to face the best and test myself at the top level. I did that as an amateur when I won Olympic silver at 17, and as a professional I'm no different. I want to face the top guys to show how good I am.

You had a push-up contest with JLS on *The Jonathan Ross Show*. Who won?

I did, I think! The JLS boys are good athletes but I'm not so sure about Jonathan – I think he'll need come out with me to LA for my next two-month training camp.

Is it true that you paid £3,200 for a rare fish?

Yeah, I bought a Gem Tang fish for my aquarium. I love filling it up with different tropical fish and I saw it and thought it looked really good so just went for it. It was a spur-of-the-moment thing.

Do you have any other big extravaganzas?

I'm a big fan of watches and have a huge collection of them.

I don't mind spending a bit of money on a watch – it's a reward after a fight.

What do you think of British boxing at the moment?

It's doing well despite the fact we may not have as many champions as last year. Carl Froch regained a world title after his win against Lucian Bute. There's a good crop of youngsters that I'm sure will push on and get a world title or two under their belts in the next 12 to 18 months. There's a lot to look forward to.

Who do you think will win between David Haye and Dereck Chisora?

I think David is going to be too good for Chisora. David's been in with the very best and his movement, speed and power are going to be too much for him.

Thanks, Amir! Finally, if you could beat up any celeb in the ring who would it be?

I can't really think of any, although my friend Saj has a growing fan base on Twitter so he's a bit of a celeb. When he gets me with his practical jokes, I wish I could get him in the ring to teach him a lesson!

Who's paying the bills? Financier Suleyman Kerimov, number 118 on *Forbes* magazine's list of billionaires.

Who's on the books? Yuri Zhirkov, formerly of Chelsea, ex-Blackburn man Chris Samba, **Samuel Eto'o** is captain.

What are the wages like? Well, club captain Samuel Eto'o reportedly picks up £320,000 a week, so we'd guess that none of the squad is living on Aldi instant noodles.

LA GALAXY United States

Who's paying the bills? Entrepreneur Philip Anschutz, 34th richest man in America with a fortune of about £4.5billion.

Who's on the books? **David Beckham**, supported by the likes of Landon Donovan, Robbie Keane, and Brazilians Juninho (but not *the* Juninho) and Leonardo (but not *the* Leonardo).

What are the wages like? If you're American, basic. If you're Becks, £81,000 a week basic. Which is a better class of basic.

SHANGHAI SHENHUA China

Who's paying the bills? Industrialist Zhu Jun. He once told the boss to name him in the squad for a friendly against Liverpool!

Who's on the books? **Nicolas Anelka** is both star striker and (presumably not especially jolly) player-coach, and now Drog.

What are the wages like? We refer you to the aforementioned £200,000 a week. Even so, the owner's wealth is said to be in hundreds of millions as opposed to billions. Pah! Paupers.

Who's paying the bills? Zeromax, a monster fuel and telecommunications company in the Asian region.

Who's on the books? Nobody famous at the moment but in 2008 the 36 year-old Brazilian star **Rivaldo** accepted two years on their books for £85,000 a week.

What are the wages like? Luis Felipe Scolari was boss in 2009 and pocketed £200k a week. He does alright, does Big Phil.

Who's paying the bills? Mohammed bin Zayed bin Sultan Al Nahyan, Crown Prince Of Abu Dhabi.

Who's on the books? Argentina's Ignacio Scocco is the biggest name. Past players include Ghana star Abedi Pele.

What are the wages like? When **Asamoah Gyan** moved from Sunderland, he tripled his wages to £125,000 a week, and dare we say that the UAE is a tad sunnier than Wearside too?

Who's paying the bills? His Excellency Sheikh Mohammed bin Hamad bin Khalifa Al Thani, son of the Emir of Qatar.

Who's on the books? At the moment, Raul is enjoying the sunshine, along with ex-Marseille star **Mamadou Niang**.

What are the wages like? Raul's wages weren't revealed, but he was on £100k a week at Schalke 04, who he left for the Gulf. Maybe he just does it for the love of Qatari football...

"Argh, my thigh!
I just don't realise
my own strength!"

Waddle: 'AVB is lucky!'

The former Spurs ace on the new man!

Hi Chris! So AVB's the new Spurs manager. Are you surprised?

Well, it was on the cards. He did a good job at Porto but he probably knows he's in a lucky position to get a club like Tottenham after what happened at Chelsea.

Do you think he'll do better at Spurs than Chelsea?

I don't think you can judge the guy on what happened at Stamford Bridge because Abramovich makes it a very hard club to manage. AVB also tried to change it too quickly there, and it obviously didn't go down too well in the changing room.

The vultures seem to be circling Spurs' star players.

True, but Bale's signed a new deal, plus he's a shy lad. If he'd gone somewhere like Barcelona I think he'd have struggled to settle.

What about Luka Modric?

I think he's on a five-year deal so there's no pressure to sell. If he's determined to go then the club can name their price. If no one matches it, he stays.

But if the rumours are true the team is far from settled.

Look, Adebayor may well not be there next season. Modric could go of course, but they'd get silly money for him, Van Der Vaart could go but that would be another £10million. If he's got £40 or £50million to play with I'm sure he can find decent replacements.

So can you see him getting Spurs into the top four?

If he can hang onto the team he's got, yes. But if he does have to bring in three or four new faces he'll be judged on those signings.

● With thanks to Trace TV, Sky Channel 460.

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

"Arsene, it's the Goodyear Blimp! Right, while he's not looking, I'm off"

Does Robin really love Arsenal?

If he does, he won't be joining Man City!

➔ **I WASN'T** surprised to see that Robin van Persie wants away from the Emirates. Despite what the Dutchman says about winning trophies, I can't help but think his decision is motivated by money. He isn't getting any younger and has the chance for one

last huge payday. Robin says he loves Arsenal, but if that's the case, why has he let his contract run down to the last year? He knows full well the Gunners have to sell or risk losing him for nothing! And if his love for the club is so strong, he cannot stay in the Premier League, joining a rival like Man City or Man

United would only weaken Arsenal's position further.

RVP is a top player and can go anywhere in the world, I'm sure the likes of Barcelona and Real Madrid will be interested in his signature. It would be better for everyone involved at the Emirates if he chose to leave England altogether!

"No, I told you, – no kissing in front of a crowd"

It could be the end of the SPL!

WHAT'S HAPPENING at Rangers is a real tragedy. It's incredible to think we won't see the Glasgow club in the SPL next season. I'm gutted for the fans and everyone connected with the club – they're being punished for other people's errors.

I don't get why the other league clubs have turned on the 'Gers. Surely they realise the financial implications of losing Rangers from the SPL? Gate receipts will be severely affected, and what about the TV money? I agree they must be punished, but there has to be a better way of doing it! What's the point of watching the SPL now? We already know who's going to win it!

What about applying some common sense to the rankings for once? Brazil aren't even in the top ten, for goodness' sake!

Who cares about Reds' kit?

I SEE some people are getting their knickers in a twist about Liverpool's new third kit, but who cares, really? Everyone knows the Anfield lads play in red and that will always be their colour. We probably won't even see the purple and orange number till Christmas, and even then it will only be worn three times all season. Get over it, chaps!
